5-Year Extended Warranty for System at 2306 S. Rushmore Way Boise, Idaho 83709

Your current system has been evaluated and qualifies for our extended warranty program. The warranty period will be five years from the signature date of contract.

5-Year Warranty ensures no standing water on the crawlspace floor where drain is installed from ground water seepage from irrigation and rain/snow. This Warranty is **Transferable** to new homebuyer within the warranty period. The Warranty excludes water standing on the crawlspace floor from interior home appliance/structure leaks, power outage, or mechanical failure.

Part 1: 5-Year Extended Warranty, 1 Pump System: Original Warranty Expired on 7/26/2017

1. Includes 1/2 hp pump replacement
2. Discharge refurbishment
3. Replace battery in water sensing alarm
4. Check GFCI and replace, if needed, with same style (See Part 2 for upgrade option)
5. 2 free non-warranty inspections (75.00 fee waived if system is checked and nothing is wrong)
6. Unlimited warranty related inspections (Tech will determine if inspection is warranty related or not)

Total Part 1: \$750.00

Part 2: Optional GFCI Upgrade

1. Install new style GFCI with audible alarm and manual shut-off button.

ADD to Total: \$125.00
