**PROPOSED Vapor Barrier Replacement in the crawlspace at 3014 Erin Ave. Nampa, Idaho**

Ness, LLC is an IICRC council certified Mold Remediation Contractor, licensed, bonded, and insured with mold and environmental pollution endorsements.

As requested, we inspected the crawlspace for damage after a recent plumbing leak. The area appears to be dry at this time so we would recommend replacing the vapor barrier only.

**Part 1:** Remove and dispose of old vapor barrier, miscellaneous debris and building materials. Install new 6 mil. vapor barrier in the entire crawlspace and pull up onto the footings, where possible.

**Total Labor & Materials Part 1: \$960.78**
